# Déjà Vu

Dance Magazine *does a double-take.*

You know that feeling of seeing something you've seen before? Sometimes our memory plays tricks on us, but sometimes the image you recall has actually happened before. Take a look at our dance Déjà Vu—dances through time with similar moments, phrases, costumes, or shapes that surge in a new light. We've gathered four pairs of sister images, you might call them, that are hauntingly familiar.
